MINIO

Performance, Security, Scale and Manageability

March 14, 2025

Enterprise Administration I

Certificate of Completion

This document certifies that **Chip Starkey** has completed the training "MinIO Enterprise Administration I"

Course summary: System operators, administrators, and infrastructure architects will learn the core skills to deploy, manage, secure, and scale MinIO object storage. By the end of the course developers will be ready to build apps with MinIO object storage using the S3 API. Administrators will be able to set up a multi-site, multi-drive MinIO Proof of Concept leading to production deployment.
